Productivity

Small Utility Series

6 YEARS WARRANTY

Truly Multi-purpose

This multi-purpose tractor fulfills every farming need, providing you with higher productivity. It proves to be a reliable companion for various equipment uses.

Rotary Tiller

With a mail-seeking rotary tiller, it gives you unmatched performance.

Plough (Tillage)

With the help of its advanced technology, it works with greater depth and uniform tillage.

Cultivator

In this range, it provides the best torque, which can easily handle the cultivator's load.

Mulching

With its creeper mode, you can easily perform tasks like planting with minimal speed.

PADDYVATOR

CULTIVATOR

PROJA

Advance Your Productivity with PROJA

In this productivity tech pack, there are such amazing features that will increase your farm's productivity and also increase your income.

Powerful 3DI Engine

ePTO

F/R Shuttle

Creeper

Projector Headlamps

Tilt and Telescopic Steering

MYOJA

Maintain control with MYOJA

This intelligent tech pack helps you keep real-time monitoring of your tractor's health and performance.
